Headteacher's Message

Dear Parents, Carers, Children and Members of the Mayfield Community,

This week has been Careers Week at Mayfield as part of National Careers Week 2023, and what a fantastic success it has been!

Children have been inspired by so many wonderful visitors who have helped children learn about new career paths and the skills needed. It's never too young to start thinking about how knowledge, skills and character qualities being developed now, could be really useful in the future.

It's been an incredible week, filled with so many inspirational Mayfield Magic Moments. We're delighted that so many of you have enjoyed and responded to our posts on Twitter @MayfieldOldham.

Special thanks go to our guests who gave up their time to inspire our children, and also to Mrs Sutcliffe, our Careers Week lead, who worked so hard with so many organisations and staff to make Careers Week such a resounding success!

Best wishes, Mr Couper-Barton (Headteacher)

Mayfield 'Value of the Week'

At Mayfield, we talk about the value **'Opportunities and Aspirations'.**

Careers Week has definitely provided children from Nursery to Year Six with a wide range of opportunities to try out new skills and activities. Building children's aspirations and showing what is possible is so important.
